All Invited to New Year of Ministry at FCC

The First Congregational Church of Manchester, worshipping in its historic meetinghouse, welcomes the community to Rally Sunday on September 10th.

This Sunday, which is an open house to the community, will include a chapel service at 8:30 am, religious education at 9:30 am, a worship service at 10:30 am, and then a luncheon for all in attendance. Information about FCC's ministries will be available during the luncheon.

Come worship with our excellent choir directed by Linda Hueckel, enjoy an inspiring sermon by Rev. Steven Berry, learn about ways you can serve in the Manchester community, get the scoop on family life groups, or explore our wonderful options for religious education.

FCC is a unique, stable, and progressive Christian community focused on biblical truths, inspiring worship, great music, education and spiritual development for all ages and engagement with the key issues of our time.

For more information contact Beverly at 362-2709 or visit www.manchestermeetinghouse.com.
