

Healing Service

The community is invited to a healing service on November 26th, 10:30 AM at the First Congregational Church in Manchester.

The service will include special music selections by FCC's fantastic choir as well as a time to pray for physical and emotional healing.

"It's good to pause before Christmas in order to reflect on the past year and to offer prayers for the healing of individuals, the community, and our world."

Thanksgiving Service

The First Congregational Church of Manchester welcomes the community to a special Thanksgiving service on November 19th at 10:30 AM.

This traditional service will include some of the finest musical talent in the region. Neil Freeburn, the music director of Burr and Burton Academy, will perform on trumpet. The Tall Spire Ringers will sound out a special performance, while the chancel choir will sing with the children's choir: "Sing On."

Gifted speaker Matthew Laney will share a message after the musical program.
